

HOW TO PLAY:

COLLECT THE MOST MATCHING CARDS TO WIN!

FAIRY GOD PLUMBER CAN BE PLAYED TWO WAYS.

1. WITH A FULL DECK

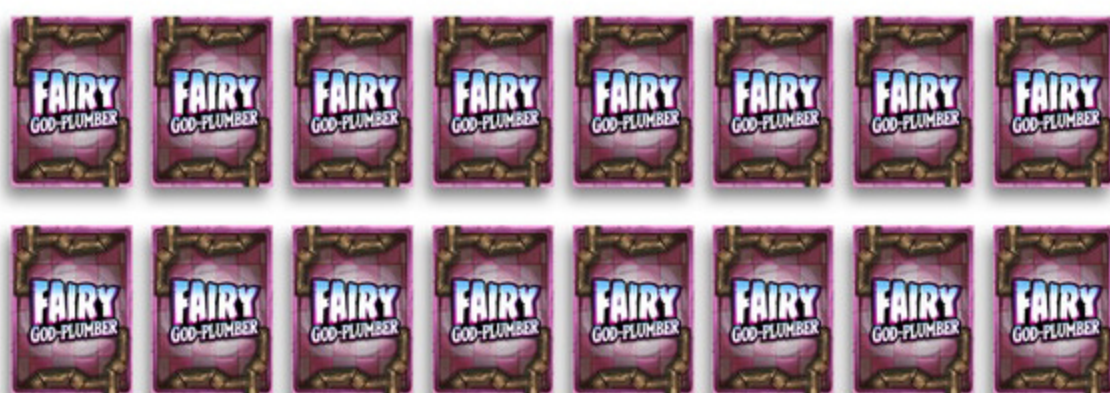

PLAY WITH ALL 54 CARDS
FOR A LONGER,
HARDCORE VERSION

2. WITH A HALF DECK

PLAY WITH CARDS MARKED ONLY
BY THE STAR ICON.
THIS IS A FASTER, MORE
CASUAL GAME.

START BY LAYING ALL THE CARDS FACE DOWN IN A GRID.

THE YOUNGEST PLAYER GOES FIRST AND CHOOSES A CARD...

THEY MUST THEN CHOOSE ANOTHER CARD, WHICH HAS TO
MATCH THE FIRST CARD THEY GOT. IN THIS CASE, THE UNICORN!

IT'S A MATCH! THE PLAYER THEN KEEPS THE CARDS AND
CONTINUES PICKING CARDS UNTIL THEY DON'T FIND
A SUCCESSFUL MATCH, OR IF THEY PICK UP A HAZARD CARD...

HAZARD CARDS CAN BE
HELPFUL OR **HARMFUL**
